Hi there to you all!

I would like to take this opportunity in thanking you all for your support to the Club. It has been a hard struggle to get this club off the ground and into the water.

Over this last 12 months we have had 3 competition swims and gained quite a few club points with only a handful of swimmers. We have our next swim on 11th December. How about us all giving it ago. Every swimmer gains a point for the club and besides that it is a lot of fun. If you feel you can't swim then come along and give the swimmers your support by cheering at the side.

Through out the year we have had some social activities. Wow! Coming up in the future is our big night on December 17th. In the New Year we have that river cruise to look forward too. It is a great day, so hope you will all come along.

Next year I am hoping the club will grow in numbers. What about trying to get a friend, neighbour or relation to join up. Remember it is all for fitness and fun.

My thanks goes to Gary Hoff, who has given up so much of his time to help us on our way. Thanks Gary.

I do hope you all have enjoyed your swimming with the Dynamic Dolphins, and that you are all pleased with the progress you all have made as individuals.

Merry Christmas to you all and don't forget to join up again for another wonderful year of fitness and fun.

Thanks to you all again,

"Mother"
