NEWSLETTER NO. 2

OCTOBER 1985

Hi Folks,

There we are with the second edition of our newsletter. You see what happend when one puts his mind to it.....

Our first Interclub Carnival is now history (and so are all the sleepless nights I had) and according to various people - despite the bad weather - it was a success. I tried to get not only the results, but a bit more information about AUSSI, quickly to the 'Mandurah Telegraph', - the results you can see on the right. Nothing appeared in the Mandurah paper - and the 'Sound Telegraph' only printed Rockinghams results. Well, at least something.

It's the time of the year again, when we approach the Annual General Meeting, to decide the future of our club. This year it will be held on Monday, November 25th, at Helen's place, 3 Kenton Way, starting 7.30pm. I do hope you can all attend, as there are some important items to discuss.

Unfortunately at State and National level, AUSSI seems to be hell bend in destoying the small clubs like ours. First there was a 100% increase in affiliation fees, and now they hit us with a compulsory insurance. In our case this could mean a rise of \$ 5.00 in membership fees. The options are to pay it out of our funds, join one of the bigger clubs or pull out completely. This and other items will be discussed at the AGM.

COACHING NIGHT

An increasing number of our members seem to have personal problems which stops them from attending the club nights. At the moment we have only 3 to 4 people swimming on a Wednesday night. Due to that fact we have to cancel the coaching night, which was to be held in November.

AEROBICS

We are getting closer and closer to the end of November, and time start running out for the Aerobic swims. So far we finished 15 - 400m, 13 - 800m, 3 - 1500m, 1 - 3000m and 1 - 1 Hr swims, but there is still some time left to get a few more points. How about it!

IMPROVERS TROPHY - STUBBY STAKES

The Stubby Stakes competition and the Improvers points swims, will end as of October 31st.

SOCIAL NOTES

Remember the meals night at the Beach Front Restaurant - and the "Chinese Banquet" at Helen's? You have now the chance to attend another night out. This time we picked the 'BLUE LAGOON' - recommended by various people (including yours truly). A copy of the menu is attached. By the time we get there, it may change a bit and include a few more dishes. If you fancy something special - just ask the chef. All you have to do is to bring your own Lambrusco or whatever. Oh - and by the way - the date is set for Friday, November 15th, from about 7.15pm on. If you would like to join us, please let Gary know one week before, (with the number of people attending), so we can book the tables.

INTERCLUB CARNIVAL

The next Interclub Carnival will be held at the BART CLAYTON AQUATIC CENTRE, BELMONT on Sunday December 1st, starting at 9 am. Closing date is November 22nd. The program is attached. This is the last carnival of the year. If you would like to attend, please fill out your cards, and forward them early enough to Gary.
